Below are the dates of rehearsals and performances. You will not be required to be present at every rehearsal in the beginning as we will be conducting “working” rehearsals for each number, scheduled to avoid conflicts. We usually are starting to put Acts together in February when you would have longer times at rehearsal. Consider you are always on call for Tuesdays and Thursdays between 10am and 1pm, which leaves your long weekend times of Friday - Monday uninterrupted. We cannot accommodate people who cannot be at any Tuesday or Thursday rehearsal or are taking prolonged vacations close to the production during tech & dress rehearsals and performances. We expect a commitment from you that enables us to rehearse the show, culminating in an outstanding performance. The dates in March in **RED & UNDERLINED** are most crucial; we would expect you to be in attendance. We need you there! March 9<sup>th</sup> is for Set Decoration and March 13 for striking the set

**CIRCLE DATES WITH CONFLICTS & EXPLAIN BELOW.** Give specific times within the 3-hour rehearsal time when you are unavailable.

The Variety Show is an opportunity to showcase your talent on the stage before our SaddleBrooke neighbors. In addition, we give charitable contributions to deserving organizations. In 2023 we gave \$2,500 to the Tucson Jazz Scholarship Fund for students. We also will be purchasing new head MICs.
