Below are the dates of rehearsals and performances. You **will NOT be required to be present at every rehearsal** as we schedule “working” rehearsals for each production number, avoiding conflicts that you list for January & February. Consider you are always on call for Tuesdays and Thursdays between 10am and 1pm. This leaves your long weekend times of Friday - Monday uninterrupted.

We cannot accommodate people who cannot be at any Tuesday or Thursday rehearsals or are taking prolonged vacations in the month of March during tech & dress rehearsals and performances. We expect a commitment from you that enables us to rehearse the show during this time. You are expected to rehearse on your own outside of this schedule with the director to perfect your production number!

The dates in March in **RED & UNDERLINED** are most crucial; we expect you to be in attendance on all these dates.

CIRCLE DATES WITH CONFLICTS & EXPLAIN BELOW. Give specific times within the 3-hour rehearsal time when you or your group are unavailable.

January	5	7	12	14	19	21	26	28
